NV	Ruinart Blanc de Blancs	39 000
2012	Dom Perignon	88 000

References to Champagne date back to the 17th century. Its history is associated with the monk Pierre Pérignon, who helped shape production principles later refined into the traditional method with secondary fermentation in the bottle — the process that creates its signature bubbles. Since then, Champagne has remained a timeless symbol of celebration and life's special moments.
